### [57] CLAIM

The ornamental design for a fishing rod handle with extended butt, as shown and described.

### DESCRIPTION

FIG. 1 is a left side elevational view of a fishing rod handle with extended butt, showing my new design; FIG. 2 is right side elevational view thereof; FIG. 3 is a top plan view thereof; FIG. 4 is a bottom plan view thereof; FIG. 5 is a front elevational view thereof; FIG. 6 is a rear elevational view thereof; and, FIG. 7 is a side elevational view thereof, the broken line showing of a spinning reel being included for the purpose of illustrating environmental elements only and forming no part of the claimed design.

1 Claim, 3 Drawing Sheets
